 - (e) Matters relating to adjudication as per section 175 of the Act ;
 - (f) Other matters.
4. *Appeals for matters relating to drinking water.*
- (a) Any person, whether owner or occupier of any premises, whose application in the prescribed form accompanied by prescribed fee for supply of drinking water for domestic purposes to the Executive Engineer concerned is rejected as per section 8(3) of the Act ;
 - (b) Any person, whether owner or occupier of any premises, whose application in the prescribed form accompanied by prescribed fee for supply of drinking water for other than domestic purposes to the Prescribed Authority is rejected as per section 8(3) of the Act ;
 - (c) Any person who is aggrieved by the action of the person duly authorised to enter premises or break open the door as per section 21 of the Act ;
 - (d) Any person who is aggrieved by the orders of the Executive Engineer for cutting of water supply to his/her premises as per section 22 of the Act on the following grounds : —
 - (i) If, after the receipt of a written notice from the Assistant Executive Engineer concerned requiring him to refrain from misuse or unauthorized use, the owner or occupier of the premises continues to do so, in contravention of the Act or the rules and Regulations framed thereunder ;
 - (ii) If any pipe, tap, work or fitting connected with the supply of water to the premises is found, on inspection in this behalf, to be damaged or out of repair to such an extent so as to

cause wastage or contamination of water and immediate prevention is necessary ;

- (iii) If there is any water pipe situated within the premises to which no tap or other efficient means of turning off the water is attached ;
- (iv) If, by reason of a leakage in the pipe or fittings, damage is caused to the public street and immediate prevention is necessary ; or
- (v) If the owner of the premises refuses or fails to pay, for a period of one month after he has been served with a notice of demand water charges on account of water consumed in the premises,

may prefer an appeal to the Appellate Authority—

- (a) The Superintending Engineer concerned, if such an order is made by the Executive Engineer ; and
- (b) The Authority, if such an order is made by the Prescribed Authority.

Every such appeal shall be preferred within a period of ninety days from the date of the order :

Provided that the Authority or the Superintending Engineer, as the case may be, may entertain an appeal after the expiry of the said period of ninety days if he is satisfied that the appellant was prevented by a sufficient cause from filing it in time.

On receipt of any such an appeal, the Authority or the Superintending Engineer, as the case may be, shall, after giving the appellant a reasonable opportunity of being heard and after making such enquiry as deemed appropriate, dispose of the appeal within a period of four months from the date of its institution.

The decision of the appellate authority or the Superintending Engineer, as the case may be, on such an appeal shall be final.

5. *Appeals for matters relating to grounds water.*—

- (a) Any person aggrieved by the rejection of his application for sinking a well in a notified area by the prescribed authority as per section 112(3) of the Act :

Whereas, the Director, Industries and Commerce, Kashmir vide letter No. Estt/C-24/1151 dated 28-03-2013 conveyed that no member of the service has any objection against the aforesaid seniority position ;

Whereas, the Director, Industries and Commerce, Jammu vide letter No. Estt/C-86/1854 dated 07-03-2013 has also conveyed no objection to the said tentative seniority from any one of the concerned members of the service. However, he has furnished a list of 11 IPOs recently promoted to be also included in the final seniority list of the IPOs ;

Whereas, the Director, Industries and Commerce, Kashmir vide letter No. DIC Estt/C-24/178 dated 17-05-2013 has further intimated that there are two separate vigilance cases against Shri Z. A. Rather and Shri Bashir Ahmad Sheikh figuring at seniority No. 12 and 32 of the tentative seniority list and both are subjudice as on date.

Now, therefore, an updated final seniority list of Industrial Promotion Officers as it stood on 01-01-2013 (Annexure "A") is, hereby, notified for information of the concerned. The final seniority list so issued is subject to the final outcome of the court cases claims, if any. Any official who may not be satisfied with the position assigned to him in the final seniority list may file review petition to the Administrative Department.

Expression of Interest (Eoi)

Subject :— Invitation of Expression of Interest for shortlisting of Project Management Consultant/Owner's Engineer through International Competitive Bidding for Construction of (8x225MW+1x56MW) 1856 MW Sawalkote Hydro Electric Project (hereinafter referred to as "the Project") on River Chenab in District Ramban/Udhampur of Jammu and Kashmir State.

J&K State Power Development Corporation Limited (hereinafter referred to as "the Owner"), incorporated under the Companies Act, 1956 and wholly owned by the State Government of Jammu and Kashmir, intends to engage engineering consultancy agency (hereinafter called "Owner's Engineer") for rendering consultancy services of review of Design, Project Management and construction supervision as specified in Scope of Services (hereinafter called as "Services"), briefly mentioned hereunder, for implementation of (8x225MW+1x56MW) 1856 MW Sawalkote Hydro Electric Power Project

The Detailed Project Report of the project is presently under the appraisal of the Central Electricity Authority (CEA).

Salient features and layout of the project as per the DPR submitted to the CEA are enclosed as Annexure-I. This shall however be subject to final approval by the CEA.

Brief Scope of the Services (the detailed scope of the Services forms part of the RFP). The Services shall be rendered under two phases, Phase-I and Phase-II.

Phase I :

The services under Phase I envisages activities up to the signing of a contract between the Owner and the Construction Contractor, which includes :—

- (a) Examination of the DPR including but not limited to review of DPR level design, adequacy and sufficiency of the DPR level investigations, layout, quantities, rates analysis, estimated costs, construction equipment, construction methodology and schedule of completion.

The Owner's Engineer shall do due diligence by undertaking "Value Engineering" exercise including to identify/assess estimated potential savings in the project cost, supported with logic and supporting details.

The Owner's Engineer shall develop risk matrix and identify all possible risks associated with implementation of the project and shall also prepare a comprehensive risk mitigation plan.

The findings on above aspects shall be submitted by the Owner's Engineer to the Owner in the form of comprehensive review report(s).

- (b) Review/Framing of the Contract Documents.
- (c) Assistance in negotiations between the Owner and the construction contractor for finalization of contract terms and conditions, costs, completion time etc. and signing of a contract between the Owner and a construction contractor.

Phase II :

This activities pertaining to Phase-II will commence only after successful conclusion of Phase-I within one month of signing of the construction contract. Phase-II comprises of (a) Pre-Commencement Works and (b) Main Works.

(a) Pre-Commencement Works :

- * Monitoring/Supervision of the Pre-Construction works like mobilization of resources to the project area, site investigations, preparation for hydraulic model tests/studies, infrastructure works and construction facilities, site installation of contractor's plant and equipment, Construction of Contractor's camp, office stores and workshops, construction of access to site.
 - * Review of Construction Planning/Scheduling, Methodology and Equipment Deployment.
 - * Review of Design criteria, calculations, Designs/Drawings and Documents submitted by the Contractor.
- All other activities related to execution of pre-commencement works of the construction contractor.

(b) Main Works :

- * Review/vetting of Contractor's Design/Drawings/Proposals.
- * Supervision of construction of Civil/Hydro-Mechanical/Electro-Mechanical and other allied works of the Project.
- * Supervision of supply, erection and commissioning of equipment.
- * Monitoring of Contractor's progress on site.
- * Supervision of Manufacture of equipment.
- * Certification of contractor's measurement.
- * Certification of contractor's payments.
- * Management of contractor's claims.
- * Assurance of quality control.
- * Development and Establishment of a Management Information System (MIS).
- * Monitoring of cost and work progress.
- * Environmental monitoring.
- * Reporting to the Owner.
- * Monitoring/Supervision during defect liability period.
- * Provide all assistance/guidance to the Owner in successful and timely closure of the construction contract and taking over of the Project by the Owner.

- * Preparation and submission of completion report.
- * The Owner's Engineer shall capture the "Lessons Learnt" during the project execution process and submit a report for Owner's reference.

The above details are furnished for general guidance to the Owner's Engineers. The Owner's Engineer shall be fully responsible for carrying out the detailed review of the design and engineering of the civil, electrical and Hydro-Mechanical and allied works. However, any other services not specifically mentioned but which are relevant for completion of the project and taking over of the project by the Owner are deemed to be included in the Services. The Owner's Engineer shall take all precautions for implementing the project with the highest engineering standards, best practices in a timely manner, upholding the highest standards of ethics and integrity.

The tentative duration of the services is envisaged to be about 114 months as under :—

Phase-I	6 Months
Phase-II	
(a) Pre-Construction Works	6 Months
(b) Main Construction Works	90 Months
(c) Defects Liability Period	12 Months

The period of construction of the project shall however be subject to approval by CEA.

The deployment of professionals during both the phases shall be as per actual requirement as approved by the Owner.

Bidder can either be a sole company or a Joint Venture (JV) or a Consortium, subject to the condition that in case of a Joint Venture or a Consortium, maximum number of constituents/partners including the Lead Partner shall be restricted to three (03).

In case the bidder is a subsidiary company, the bidder can utilize 100% technical and financial credentials of its Parent/Holding Company, and/or any other Subsidiary Company/Companies, which are wholly owned by the same Parent Company. Provided, the Parent Company/Subsidiary Company/Companies commits to sign a separate Agreement with the Owner

(in the prescribed format forming part of RFP) evincing full support for the Technical and Financial Requirement of the Subsidiary Company and commit to take up the work itself in case of non-performance by the Subsidiary Company in the event of award of contract to the Subsidiary Company. An undertaking by the Parent/Holding Company to this effect shall be submitted along with the bid.

Eligibility criteria is specified in Annexure-II. Only those applicants who satisfy minimum eligibility criteria need apply. Employer's certificates shall be required for experience in both design and construction supervision. In case a bidder claim experience for a project undertaken as a member of JV/Consortium, the particular firm's position/role in the JV/Consortium shall be clearly brought out Employer's certificate

The services are to be provided by an integrated multi-disciplinary team of professionals having experience in the relevant fields matching the requirement as per the scope of the services. The detailed manpower requirement, their qualification and staffing schedule shall form part of the RFP

The bidder who meet the Eligibility Criteria as specified in Annexure-II, would be shortlisted for RFP stage. No change in configuration in case of eligible JV/Consortium shall be allowed. However, any eligible firm can have sub-consultants or Associates. In case of association/sub-consultant the experience of associated firm/sub-consultant shall not be counted whereas the key personnel of the associated firm would be considered for evaluation.

Instructions for submission of the Expression of Interest are enclosed at Annexure-II and guidelines for the preparation for the Expression of Interest are enclosed at Annexure-IV. Eligible Applicants interested in the assignment should fill up the Expression of Interest form enclosed as Annexure-V and submit together with the application all supporting documents so as to reach Owner's office mentioned in Annexure-III not later than 1600 hrs. on 31-05-2014 and be clearly marked "Expression of Interest for Selection of Project Management Consultant/Owner's Engineer for Construction of 1856 MW Sawalkote Hydro Electric Project".

The RFP shall be issued to the shortlisted firms only for their participation in the final bidding. The Evaluation of bidders at the RFP stage shall be conducted in two stages Technical Evaluation (Stage-1) and Financial Evaluation (Stage-2). After Technical evaluation under Stage-1, as per RFP document, firms shall be shortlisted for Stage-2 bidding and firms scoring the technical qualifying marks (minimum 70%) shall be listed in the

18 The J&K Govt. Gazette, 15th May, 2014/25th Vol., 1936. [No. 7

descending order of their technical score and under stage-2, the financial Bid of only those shortlisted firms having minimum qualifying score of 70% in the technical bid shall be opened and evaluated. However, if the number of pre-qualified bidders is less than three, the Owner may in its sole discretion, pre-qualify the bidder(s) whose technical score is less than 70 per cent, the minimum prescribed, so that at least three bidders compete for the assignment.

The final selection of Consultant and award of work thereof, shall be done on QCBS (Quality Cost Based Selection approach) among the qualifying bidders shortlisted after Technical Evaluation. The weightage to quality and cost shall be indicated in the RFP documents.
